

# Staff Pods

## Specification Guide

Moda Pod comes in a wide range of styles and finishes and is highly space efficient, as well as DDA compliant. With a variety of front panel display options, this is a cost effective solution for use as a small staff issue point or school library desk.

Pod and Pod Lite desks have an option to include open shelves, lockable cash drawers and cupboards depending on your requirements.

As a manufacturer we are able to alter the shape and size of our standard pod or offer bespoke staff pods, which can help you create the perfect pod to meet your specific requirements.
